Objective: Summarize the rise of independence movements in Africa, the Middle East, and South Asia. Identify individuals who led resistance to political oppression.

Directions:
Create the Tree Map above on the paper provided. There should be enough room to fit one sentence between each line.
1. Use the orange textbook (pg. 885-905), the Jarrett book (pg. 316-323) and the internet.
2. Include at least 3 pictures in your tree map.
3. Include India’s struggle for independence, partition of India & Pakistan, Southeast Asia, important people and movements of both Africa and India.
4. Processing Activity – Draw a frame around your tree map. In the frame section respond to the following question:

How did the above independence movements lead to conflicts in today’s world?
